Priced to sell at \$14,950

•

The Lowe 175 Stinger is a 17' 7" aluminum bass boat with a 90" beam, a 60 HP engine, and a seating capacity of four persons. Key features include a dry weight of approximately 1,152 lbs, a 19-gallon fuel tank, and a max load capacity of 1,178 lbs. Its wood-free construction is made with an aluminum-reinforced power grid system and features a livewell, storage compartments, and a single console. Enjoy easy access to the boat with the added bow boarding steps. Single axle trailer included in the sale.

At this price point, this boat will sell quickly.
