The Caymas XS 21 is a breakthrough in fishing engineering that features no carpet in the boat. Instead, offering advanced marine flooring consisting of a padded non-skid boating surface, replacing carpet with a durable and comfortable new option. The compartment lids are re-enforced Fiberglass opposed to aluminum in the CX series.

THE Caymas XS 21 is a marvel of fishing engineering, setting new standards in the world of premium tournament bass boats. With an impressive length of 21' 4" and a beam width of 96", this boat is designed to offer unparalleled space and performance. The XS 21 can accommodate a maximum horsepower of 300 hp, ensuring you reach your prime fishing spots faster than ever.
