Everything that has made Chaparral's wildly popular SSi Series the talk of the waterways, gets bigger and better with the amazing 23 SSi. With a ChaparralONE price including the trailer, the 23 SSi's style is captivating, but its appeal is more than skin deep. Stainless steel hardware, composite seat bases, a cockpit drainage system, an Extended V-Plane running surface, and a vinyl-wrapped dash are keeping with the Chaparral DNA. MerCruiser and Volvo power options deliver crisp low-end, controlled midrange, and exciting full-throttle performance. Step up to the 23 SSi and enjoy U-Shaped cockpit seating, a spacious bow, and a dual-direction chaise lounge.
