New 2025 Chaparral 21 SSI

Come see one of Chaparral's most popular models with the new 2025 Chaparral 21 SSI. Enjoy your summer on the water with your family on this incredibly fun 21 foot bowrider. This boat is loaded with all of the latest options that will ensure that your family is riding in comfort. Navy exterior color with Cayenne interior. The Envision silicon based marine upholstery is comfortable, durable, and also easily cleaned. This boat is powered by a Volvo 250hp engine with plenty of speed to pull your kids with help from the Velocity Watersports tower. This boat has room for 12 passengers and is easy to pull with the included tandem axle trailer. There is an extended swim platform that gives your friends and family more room to maneuver around the back of the boat. Seadek covers all flooring spaces for ease of cleaning and foot comfort. A Simrad G09 is at the dash to control your vessel loaded with maps and gauges for operation. A bimini for sun coverage is attached to the watersports tower. A full mooring cover is included for safe storage. Surprise your family with fun on the water and come see us and the new Chaparral 21 SSI. CONTACT NICHOLS MARINE IN TULSA: 918-838-2500
